

## Presents:

### **Making a Difference: Best Treatment Practices for Preschool and School-Aged Children with Motor Speech Disorders - Debra Goshulak, M.H. Sc. Reg. CASLPO**

**Thursday, December 14, 2017**

**8:30am – 4:30pm**

**Breakfast and registration starting at 8:00 am**

The Speech & Stuttering Institute  
2-150 Duncan Mill Road, Toronto, ON M3B 3M4

This full day workshop will present a motor based approach for the assessment and treatment of children's motor speech disorders. The focus will be on the development of effective and meaningful goals, vocabulary selection, therapy techniques, session and activity planning and involving parents.

The purpose of the workshop is to provide speech-language pathologists and communication health assistants with practical treatment ideas for children with motor speech disorders. Many of the ideas are also applicable to therapy for children with other types of speech sound disorders.

#### **Registration Deadline: Friday, December 1<sup>st</sup>, 2017**

- ☐ \$240
- ☐ \$210 - Early Bird

**Please note that the Early Bird  
registration deadline is:  
Friday, November 17<sup>th</sup>, 2017**

Fees include comprehensive handouts; breakfast, refreshments, and lunch (Please note: vegetarian option available, for all other food restrictions we request you bring your own food)

There is a \$25 processing fee for refunds.  
**No refunds after December 1<sup>st</sup>.**

The morning session will focus on:

- understanding differences between various speech disorders
- understanding how assessment information is used to develop goals and goal progressions
- developing target vocabulary

The afternoon session has a therapy focus and covers:

- cueing strategies
- using motor learning principles
- session planning
- tried and true as well as new therapy activities
- caregiver roles and home practice activities
