

INTENSIVE FLUENCY PLUS PROGRAM

Are you an adult that stutters?
It is never too late to seek help for your speech.
We have treated many adults clients with
high levels of success

This unique program provides clients with a special opportunity to meet and connect with others who stutter in a supportive environment. The intensive nature of practice yields quite dramatic improvements in both speech fluency and confidence. Clients often travel significant distances to attend this program.

Treatment involves **teaching a set of fluency-enhancing and cognitive restructuring techniques** to improve fluency and reduce anxiety/negative thoughts related to speaking. Transfer of fluency techniques to every day speaking situations and long-term maintenance planning is an important part of treatment.

Program Dates:

January 28 – February 15, 2019

April 30 – May 18, 2019

Monday - Friday 9 am - 1 pm

Cost: \$2400*

includes 17 follow up sessions for 1 year to support consolidation of fluency skills

*financial assistance may be available for those that qualify.
Cost may also be covered by private health insurance plans

More than 95% of clients attending our treatment programs have achieved significant improvements in both fluency, confidence and comfort communicating in daily speaking situations post-treatment. Clients with high levels of motivation tend to achieve the best results.
