ABOUT US

The Speech & Stuttering Institute is a non-profit organization dedicated to improving the lives of those with speech and stuttering challenges. Our treatment approaches are founded upon more than 30 years of research and experience in the areas of stuttering and motor speech disorders. Responses to treatment are continually evaluated to ensure delivery of the most effective, evidence-based treatment options. Our treatment approaches have been published in professional journals and text books and we are involved in the training of students and Speech-Language Pathologists across the province.

SPEECH PROGRAMS

Preschool & School-Aged Program
